

Lester Shook Honorary Lecture

In 1992, Dorothy Jenkins and Clara Sanger approached the NDSRT Board with an idea to honor Dr. Lester Shook. They suggested that a lecture be given in honor of Dr. Shook as a way to express the Society's gratitude for his continued support of technologist. The Board agreed and Dorothy Jenkins gave the first honorary lecture in 1992.

Dr. Shook is a Radiologist and lives in Fargo. He has been involved with the NDSRT for more than 40 years. He was instrumental in ensuring student involvement in the Society through student papers, scientific exhibits and the student bowl.

Being chosen to present this lecture is one of the highest honors that a technologist can achieve in the NDSRT. Past lectures include:

1992 Dorothy Jenkins
1993 Judy Tuchscherer
1994 Greg Morrison
1995 Dan Jensen
