

**RRVDSRT-Annual Report**  
**2006/2007 year**  
**Dawn Hovland, RT. (R) (M)**  
**RRVDSRT President**  
**Submitted April 6th, 2007**

In September, for our membership drive our district kicked off the year with a pizza party.

We decided to have a mini district workshop in October, since we could get too busy

with the State Convention to have monthly speakers. It has held from 8-11:30am Sat.

Oct.28 2006. We had three speakers for three CEC points and 25 techs attended. In November,

the planning committee for the State Convention, met to finalize speakers and go over the

registration forms. In January, we met with Tammy Walsh, registration chairperson, to go over

the mailings for State etc.. etc.. Lisa Bohm and I have been very busy with the finishing

touches for the State Convention. We're excited to have it in Grand Forks this year. I hope

that alot of you are planning to attend.

I have been the district president, off and on for the past 6 years, and I think that it's important(for the CEC points), to keep our

districts strong. I have tried to have our meetings

in "fun" environments, off of the medical park. I think that getting together and socializing

with other techs, after the speakers, is relaxing for everyone. I think that it's also very important on the state level, to get your CEC points

along with socializing with fellow techs

from the tri-state. Therefore, see you April 20 and 21 in Grand Forks.
