

SEDSRT Report  
April 2007

The SEDSRT held a meeting March 8, 2007. Discussion was held about who would be attending the April Conference in Grand Forks. It was also decided to have those attending district members to bid on the 2009 NDSRT Conference to be held in Fargo. Many members at the meeting volunteered to help with the conference for 2009, and we will start checking out our options for hotels/conference centers.

Nominations were also held for officer positions for our district. Due to our limited number of members-those members in office decided to continue their positions. Nancy Johnson-President and Jeanne Kussatz-Secretary//Treas.

The SEDSRT wishes the Red River District a very successful conference!!

Respectfully submitted,

Nancy Johnson  
SEDSRT President
