

## NWDSRT Report

The NWDSRT held the Fall Workshop at Trinity Health on October 6<sup>th</sup>. There were 21 Radiologic Technologists in attendance. We had seven excellent speakers and awarded seven CE credits for the day. This one day workshop generated a profit of \$537.00 for the NDSRT. All in all we feel like it was a successful day, especially enjoying the camaraderie of fellow technologists from the outlying communities that we don't often see. Thank you to all who attended.

Respectfully submitted,  
Becky Hoes BSRT(R)  
NWDSRT President
