

Sept. 27, 2007

The SEDSRT met Sept. 26, 2007 with 6 members in attendance. The main discussion was about securing a convention site for April 2009. It was decided to have Kathy Just sign a contract with the Ramada Hotel located across from the West Acres Mall. The date will be April 16-18, 2009.

A list of technologists and other district members was made that we felt would be willing to help with the conference, and those in attendance at this meeting would contact those people.

Limited discussion was held on a possible modality day on Saturday, and as to which modalities would benefit the most and draw technologists to the conference.

The next district/conference meeting will be held in early November.

Respectfully Submitted,

Nancy R. Johnson RT(R) CT MR
